8 a.m.-3 p.m. May 7-8
Farm at the Arb, 3210 W. 82nd St. Chaska

Shop a selection of more than 1,000 species and cultivated varieties of plants selected by horticultural experts at this celebrated annual event, featuring annuals and perennials for sun and shade, fruits and vegetables, as well as ornamental grasses, peonies, lilies, roses, hostas, Minnesota natives, trees, shrubs and more.

Reservations (free) are required and do not include general admission to the Arb. Register at arb.umn.edu under “Events.”

Below is a brief overview of what visitors can find at the plant sale. Plants are priced competitively and don’t come with a guarantee. See arb.umn.edu for a full plant sale catalog as the sale date approaches, including more information about woody vines, shrubs and trees.
