

GALA

IN THE GARDENS

6.13.2024

We invite you to sponsor Gala in the Gardens, the annual signature fundraising event that supports the mission and work of the University of Minnesota Landscape Arboretum.

As a sponsor of the 2024 Gala, you will have the opportunity to align with the Arboretum and highlight your generous support to our audience of corporate and community leaders and Arboretum supporters. Last year, more than 400 guests attended the event and raised nearly \$500,000 in support of the Arboretum.

For 2024, Gala in the Gardens is back in the Arboretum's main gardens and grounds with a theme of Art & Nature. Art pieces located throughout the gardens and galleries are deeply informed by the natural world. At the same time, the Arboretum's gardens stand before us as living works of art in their own right, an ever-changing living museum of botanical wonders.

Supporting the Gala in the Gardens will help support the general operating and capital expenses of the Arboretum and continue to support the art and artists whose work draws more than 600,000 visitors every year!
